

Welcome back to school!

Dear Parents and Leaders,

Welcome back to St. Patrick School for another great year! We are very excited to see all of our old students and to meet the new ones too. Our hallways are filled with energy and enthusiasm as well as anxious students eager to get the year started. Our academic staff has grown, you will meet amazing new teachers that have spent hours planning and creating thrilling classroom activities to engage our leaders in new learning experiences.

It is an honor for us to serve as principals at St. Patrick School. Our offices are open for you at all times. Building healthy relationships amongst ourselves will guarantee excellent outcomes this school year. **Working together** and **synergizing** will give extra support to our students' academic and social development, reassuring a **successful** future for them!

We take this opportunity to remind you that classes begin at 7:30 am; it is very important that all students arrive on time to their homeroom periods to receive important information about their day and about upcoming activities. Welcome back to school! 2018-2019 promises to be a great year for all of us.

Sincerely,

Mrs. Valoree Lebrón
HS Principal
valoreel@stpatrick.edu.do

Mrs. Mónica De Sanctis
MS Principal
monikad@stpatrick.edu.do

Be ready for September!

September is **proactivity** month! We are responsible of our actions and decisions. During this month, our students will be participating in countless back to school activities, becoming familiar with changes and new routines. Each teacher has prepared innovative lesson plans to jump start their classes! We will take into account security and emergency drills too. The “Make Someone Happy Campaign” is starting right away, practicing **kindness and solidarity** towards those who need it the most.

Premio GRETA, Fundación Propagas

Our school prepared an amazing project and ended up among the 5 semi-finalists, competing against many other schools searching for innovative solutions to care for our environment. CONGRATULATIONS!

Leadership Corner

Monthly Habit: Habit 1: Be proactive.

Values of the month: Compromise and Responsibility. These values are directly linked to our **Responsibility Campaign**, motivating our young leader to not leave behind projects, homework and other personal items.

Electives: This year our High School curriculum has a wonderful boost, **elective subjects!** Our students have chosen subjects like art, dance, debate, video, photography, Model UN and SAT to improve their academic standings.

We remind you to visit our web page to receive updated information.
